

Weekly Market Snapshot

Last Week in Review

- <u>Earnings season</u> is well underway with 53% of companies having reported as at Friday. Thus far, a record-high percentage of S&P 500 companies are beating EPS estimates (83%).
- At its monetary policy meeting on Thursday, the ECB maintained status quo. ECB President, Mario Draghi, noted that while uncertainties, especially related to global trade, remain prominent, the euro area economy is proceeding along a solid and broadbased growth path. He also noted that uncertainty around the inflation outlook is receding.
- The EU and the US declared a ceasefire in terms of imposing tariffs on each other and stated that they would collaborate on eliminating transatlantic trade barriers for many industrial goods and on reforming the WTO.
- <u>US GDP growth</u> sped up in Q2 2018 to 4.1%: the fastest pace seen since 2014. Q1 GDP growth was also revised upwards from 2% to 2.2%. The growth spurt was driven by strong corporate and consumer spending, as well as a surge in exports in advance of anticipated retaliatory tariffs from China.

Banque Internationale à Luxembourg SA (the "Bank") does not guarantee expressly or impliedly, the sequence, accuracy, adequacy, legality, completeness, reliability, usefulness or timeless of any Data. All Financial data and/or economic information provided may be delayed or may contain errors or be incomplete. This disclaimer applies to both isolated and aggregate uses of the Data. All Data is provided on an "as is" basis. None of the Financial data and/or economic information contained on this Publication constitutes a solicitation, offer, opinion, or recommendation, a guarantee of results, nor a solicitation by the Bank of an offer to buy or sell any security, the products and services mentioned into it or to make investments. Moreover, none of the Financial data and/or economic information contained on this Publication provides legal, tax accounting, financial or investment advice or services regarding the profitability or suitability of any security or investment.

This Publication has not been prepared with the aim to take an investor's particular investment objectives, financial position or needs into account. It is up to the investor himself to consider whether the Data contained herein this Publication is appropriate to his needs, financial position and objectives or to seek professional independent advice before making an investment decision based upon the Data.

No investment decision whatsoever may result from solely reading this document. In order to read and understand the Financial data and/or economic information included in this document, you will need to have knowledge and experience of financial markets. If this is not the case, please contact your relationship manager.

This Publication is prepared by the Bank and is based on data available to the public and upon information from sources believed to be reliable and accurate, taken from stock exchanges and third parties. The Bank, including its parent,- subsidiary or affiliate entities, agents, directors, officers, employees, representatives or suppliers, shall not, directly or indirectly, be liable, in any way, for any: inaccuracies or errors in or omissions from the Financial data and/or economic information, including but not limited to financial data regardless of the cause of such or for any investment decision made, action taken, or action not taken of whatever nature in reliance upon any Data provided herein, nor for any loss or damage, direct or indirect, special or consequential, arising from any use of this Publication or of its content.

This Publication is only valid at the moment of its editing, unless otherwise specified. All Financial data and/or economic information contained herein can also quickly become out-of-date. All Data is subject to change without notice and may not be incorporated in any new version of this Publication. The Bank has no obligation to update this Publication upon the availability of new data, the occurrence of new events and/or other evolutions.

Before making an investment decision, the investor must read carefully the terms and conditions of the documentation relating to the specific products or services.

Past performance is no guarantee of future performance. Products or services described in this Publication may not be available in all countries and may be subject to restrictions in some persons or in some countries. No part of this Publication may be reproduced, distributed, modified, linked to or used for any public or commercial purpose without the prior written consent of the Bank. In any case, all Financial data and/or economic information provided on this Publication are not intended for use by, or distribution to, any person or entity in any jurisdiction or country where such use or distribution would be contrary to law and/or regulation.
